

We make our sentences longer to make them more polite.

We add words to make our message nicer.

We add details to make things clearer.

We add words to sentences in stories and essays to spice things up, make things more interesting -

The boy went to the city.

-

The little boy went to the faraway city.

-

Despite the storm, the brave little boy went to the faraway city to complete his mission.

-

Despite the horrible storm, the brave little boy fearlessly went to the mysterious faraway city to complete his heroic mission.

Expand the sentences but not too much ;)

- The lady didn't like him.

---

- The child saw a frog.

---

- It's good for you.

---

- Come visit!

---

- I don't agree.

---

- It's hard to understand.

---

- He looks happy.

---

- She laughed.

---

- It is important.

---

- Thanks.

---

- See you.

---
